

**PUBLIC NOTICE  
INTERSECTION CLOSURE  
MAIN STREET AND 8TH STREET**

August 2, 2024

Dear Property Owner, Business Owner, Resident:

The City of Brawley has contracted with Rove Engineering, Inc. to conduct Water Pipeline Improvements in the following streets:

- Along Main Street between 6th Street and 9<sup>th</sup> Street,
- Along 8th St between G Street and E Street.

Work will include the replacement of existing water pipelines along Main Street that are located underground within the roadway areas. Main St. will be paved upon completion of the construction of the new water pipelines. See the attached sketch for the partial roadway closure along Main St. between 6th St. and 9<sup>th</sup> St. and partial closure of the 8th/Main St intersection. This closure will be conducted from Friday, August 9, 2024, until Friday, September 6, 2024.

Access to various streets will be restricted during construction activities. Vehicles will not be able to drive, and pedestrians will not be able to walk through the restricted street areas. Detours will be provided around the restricted areas.

Businesses on Main Street will remain open for the duration of the project and pedestrian access will be available at the business storefront. Parking for vehicles will be limited to the alley and rear of the businesses. Police, fire, and emergency vehicles will have access to the area at all times during construction.

A temporary (nighttime) water outage will be scheduled within the intersection closure period. Advance notification will be provided to the property owners affected by the water outage. Construction activities may take place during nighttime hours as necessary.

The Rove Engineering Superintendent will be present at the construction site. If you have any questions, you may contact the Rove Engineering Project Manager, Frank Duffy at 760-604-4299 or The Holt Group Resident Engineer, Juny Marmolejo at 760-562-3635.

Thank you in advance for your cooperation.
